Authorization to Take Courses Elsewhere | College of Architecture and Urban Studies

Final authorization will be determined by the Dean’s Office. Pre-approved credits may be transferred to Virginia Tech following completion at another accredited college/university provided the credits appear on the official transcript sent directly from the transfer school to University Registrar, Virginia Tech, 250 Student Services Building (0134), Blacksburg, VA 24061

INSTRUCTIONS:
   Please note: For community college classes within Virginia, only those listed in the current Virginia Community College System (VCCS) transfer guide are approved for transfer for the current year.
2. If you request approval to take a course that is not listed in the Transfer Guide, attach a printout of the course description and course syllabus to this request form. The syllabus must be obtained from the transfer institution. All documents must be in English.
3. Discuss taking courses elsewhere with your advisor before you register for them. Your advisor or another department representative must sign this form.
4. Submit completed form to 202 Cowgill Hall for Dean’s Office approval before taking the classes. You will receive an email once the request form is approved.
5. If the transfer college requires a letter certifying your good standing, this can be obtained through the University Registrar, 250 Student Services Building, 800 Washington Street, or request online through HokieSpa. Log on to HokieSpa then choose Transcripts and Enrollment Verifications. Select Request Enrollment Verification Certificate.
6. Once transfer credits have been awarded, students can view them on HokieSpa. If you have any questions, please contact Carolyn Harris, CAUS Director of Academic Advising, cjharris@vt.edu or 540-231-6415.
